

We do what we have to do to get food, water, shelter and sleep to survive

<https://conec.tips/techniques>

We keep the spirits/gods happy and seek warmth and safety within our tribe

<https://conec.tips/techniques>

We test our skill and  
power and conquer  
what we can  
without remorse

<https://conec.tips/techniques>

We seek meaning  
and establish  
constraints and  
processes to ensure  
our security

<https://conec.tips/techniques>

We have prosperity  
and stretch the  
rules for our own  
gain and to increase  
our status

<https://conec.tips/techniques>

We create  
partnerships with  
like-minded people  
and put the needs  
of the group first

<https://conec.tips/techniques>

We develop our potential with an understanding of the complexities and paradoxes around us

<https://conec.tips/techniques>

We feel through the wholeness of our existence and seek holistic solutions to world problems

<https://conec.tips/techniques>

I want to breathe,  
eat, drink, warmth  
and sleep to  
survive

<https://connectips.com/techniques>

I want to be loved  
and protected

<https://connectips.com/techniques>

I want space to  
discover and  
develop myself in  
relation to my  
environment

<https://conec.tips/techniques>

I look for rules and  
regularities to  
protect myself and  
find direction

<https://conec.tips/techniques>

I am doing well and stretch the rules for my own gain and to gain recognition

<https://conec.tips/techniques>

I seek close relationships with like-minded people and put the needs of the group first

<https://conec.tips/techniques>

I develop my potential with an understanding of the complexities and paradoxes around me

<https://connectips.com/techniques>

I feel through the wholeness of our existence and seek holistic solutions to societal problems

<https://connectips.com/techniques>
